(a) **WARRANTIES.** The Contractor warrants that--

(1) The unit prices set forth in the Schedule do not include allowances for any portion of the contingency covered by this clause

and

(2) The prices to be invoiced hereunder shall be computed in accordance with the provisions of this clause.

(b) **DEFINITIONS.** As used throughout this clause, the term--

(1) **Base price** means--

(ii) During any subsequent program year, either the effective contract price as of the start of the subsequent program year, or the price agreed upon as of the start of the subsequent program year.

(2) **Base reference price** means the preselected reference price for an item as published on November 15, 1999. In the event one or more applicable reference prices are not (or were not) published on the date shown, then the term **base reference price** means the preselected reference price for an item as published on the date nearest in time prior to the date shown.

(3) **Reference price** means that published reference price or combination of published reference prices preselected by the Government for price adjustment for individual items by product, market area, and publication as specified in (f) below.

(1) **DAY OF PUBLICATION.**

(i) **PLATT'S BUNKERWIRE AND BUNKERFUELS REPORT.** For items employing Platt's Bunkerwire or Bunkerfuels Report as an escalator, the reference price in effect on the date of delivery shall be that item's preselected reference price that is published on the **Tuesday** of the calendar week in which the delivery is made, or, in the event there is no publication on Tuesday of that week, it shall be the item's preselected reference price published on the previous Tuesday.

(ii) **OTHER PUBLICATIONS.** Except for items employing Platt's Bunkerwire or Bunkerfuels Report as an escalator, the reference price in effect on the date of delivery shall be that item's preselected reference price that is published on the **Monday** of the calendar week in which the delivery is made, or, in the event there is no publication in that week, it shall be the item's preselected reference price as last previously published.

Contractor's failure to deliver according to the delivery schedule results from causes beyond the Contractor's control and without its fault or negligence within the meaning of paragraphs (f), Excusable Delays, and (m), Termination for Cause, of the CONTRACT TERMS AND CONDITIONS - COMMERCIAL ITEMS clause of this contract, or is the result of an allocation made in accordance with the terms of the ALLOCATION clause of this contract, in which case the contract shall be amended to make an equitable extension of the delivery schedule.

(5) **UPWARD CEILING ON ECONOMIC PRICE ADJUSTMENT.** The Contractor agrees that the total increase in any contract unit price pursuant to these economic price adjustment provisions shall not exceed 60 percent of the base price in any applicable program year (whether a single year or a multiyear program), except as provided hereafter.

(i) If at any time the Contractor has reason to believe that within the near future a price adjustment under the provisions of this clause will be required that will exceed the current contract ceiling price for any item, the Contractor shall promptly notify the Contracting Officer in writing of the expected increase. The notification shall include a revised ceiling the Contractor believes is sufficient to permit completion of remaining contract performance, along with an appropriate explanation and documentation as required by the Contracting Officer.

(ii) If an actual increase in the reference price would raise a contract unit price for an item above the current ceiling, the Contractor shall have no obligation under this contract to fill pending or future orders for such item, as of the effective date of the increase, unless the Contracting Officer issues a contract modification to raise the ceiling. If the contract ceiling will not be raised, the Contracting Officer shall so promptly notify the Contractor in writing.

(d) **EXAMINATION OF RECORDS.** The Contractor agrees that the Contracting Officer or designated representatives shall have the right to examine the Contractor's books, records, documents, or other data the Contracting Officer deems necessary to verify Contractor adherence to the provisions of this clause.
